	v.
MATTHEW STEIN, JEROME LHOTE, and	
LUKE MCGEE,	Counterclaim Defendants.

**DEFENDANT/COUNTERCLAIM PLAINTIFF SKATTEFORVALTNINGEN'S
RESPONSES AND OBJECTIONS TO NOMINAL DEFENDANT/COUNTERCLAIM
DEFENDANT LUKE MCGEE'S REQUESTS FOR ADMISSION**

Pursuant to Rules 26 and 36 of the Federal Rules of Civil Procedure and the Local Rules of the United States District Court for the Southern District of New York (the “Local Rules”), Defendant/Counterclaim-Plaintiff Skatteforvaltningen (“SKAT”) hereby responds and objects to Nominal Defendant/Counterclaim Defendant Luke McGee’s Requests for Admission, dated June 14, 2024 (the “Requests,” and each a “Request”).

RESERVATION OF RIGHTS

The responses and objections set forth herein are based on documents and information currently available to SKAT. Accordingly, the responses are provided without prejudice to

SKAT's right to produce evidence of any subsequently discovered facts, documents, or interpretations thereof; to modify, change, or amend its responses in accordance with Federal Rule of Civil Procedure 36; or to raise any additional objections as necessary and appropriate.

In responding to the Requests, the inadvertent identification or disclosure of information, documents, or materials protected from discovery by the attorney-client privilege, work-product immunity, litigation privilege, or any other applicable privilege, protection, immunity, or claim of confidentiality protecting documents or information from disclosure, shall not constitute a waiver of any privilege or any other ground for objecting to discovery with respect to such information, documents, or materials, the subject matter thereof, or the information contained therein; nor shall such inadvertent disclosure constitute a waiver of SKAT's right to object to the use of the information, document, or materials, or the information contained therein during this or any other proceeding. Accordingly, any response or objection inconsistent with the foregoing is, and shall be construed to be, entirely inadvertent and shall not constitute a waiver of any applicable privilege, protection, or immunity.

In making these responses and objections to the Requests, SKAT does not in any way waive or intend to waive, but rather intends to preserve and is preserving:

- a. all objections on the grounds of competency, relevance, materiality, privilege, admissibility, or any other proper grounds, to the use or admissibility into evidence, in whole or in part, of any of SKAT's responses to the Requests, or the subject matter thereof;
- b. all objections to vagueness, ambiguity, undue burden; and

- c. all rights to object on any ground to any request for further responses to these or any other Requests, or to discovery requests involving or related to the subject matter of the Requests.

The fact that SKAT provides a response to any particular Request does not constitute an admission or acknowledgement that the Request is proper, that the admission it seeks is within the proper bounds of discovery, or that other Requests for similar admissions will be treated in a similar fashion. Furthermore, in accordance with Federal Rule of Civil Procedure 36(b), any and all responses to the Requests provided by SKAT are for the purposes of discovery in this litigation only, and are not responses for any other purpose, nor may they be used against SKAT in any other proceeding.

OBJECTIONS TO THE DEFINITIONS AND INSTRUCTIONS

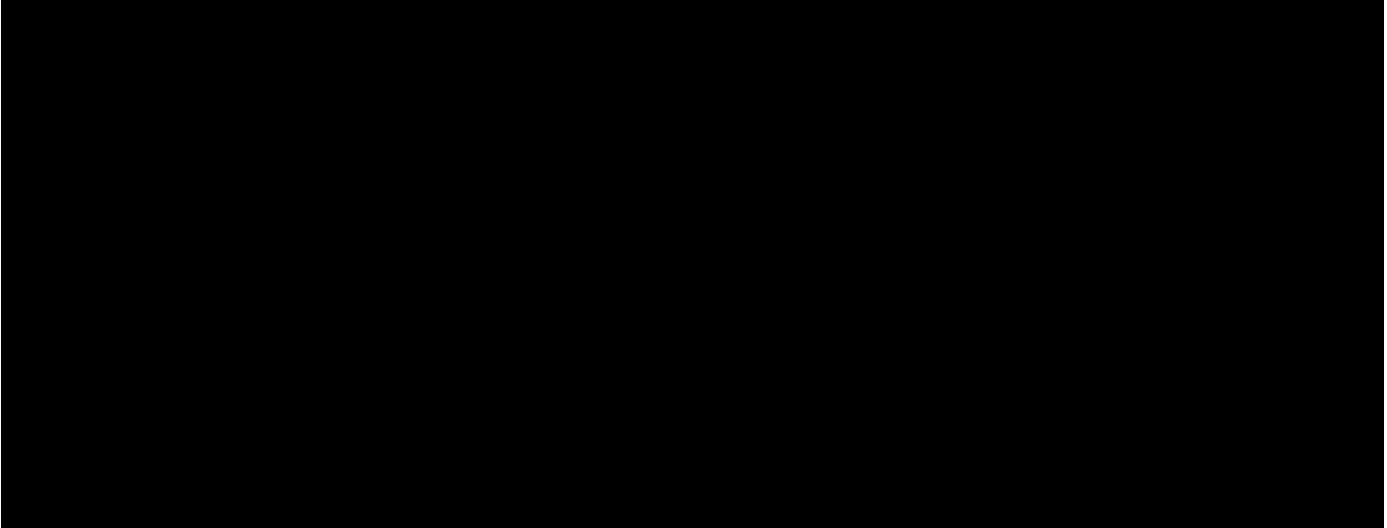

SKAT objects to the definition of “SKAT” to the extent it includes SKAT’s unidentified past and present “officers, directors, affiliates, brokers, agents, representatives, employees, servants,” and all persons working directly or indirectly on its behalf. SKAT further objects to the definition of “SKAT” to the extent it includes “any successor agency or component of the Kingdom of Denmark.” The Requests incorporating this definition are vague, ambiguous, overbroad, and unduly burdensome.

SKAT objects to the definition of “SØIK” to the extent it includes SØIK’s unidentified past and present “officers, directors, affiliates, brokers, agents, representatives, employees, servants, and all persons acting directly or indirectly under their control on its behalf.” The Requests incorporating this definition are vague, ambiguous, overbroad, and unduly burdensome.

SKAT objects to the Instructions to the extent that they purport to impose requirements or obligations on SKAT that are inconsistent with or broader than those imposed by the Federal Rules of Civil Procedure, the Local Rules, and applicable case law. SKAT expressly disclaims

any obligation to comply with the Instructions to the extent they go beyond what is required by any of the foregoing.
